

Volunteering with Us

YWAM Mobay information package

About Volunteers

Our volunteer window for individuals is very flexible. Persons may come from one week to six months to serve with our ministry, joining in with whatever we have going on at the time. Some volunteers have a specific vision of what they want to do, while some simply come with the hopes of spending more time with our staff and with locals in a variety of service opportunities. Regardless of the category you fit into, there is room for you here!

How to Volunteer

- ◆ Fill out a volunteer application form
- ◆ Submit 3 completed character reference forms
- ◆ Have a short interview with personnel
- ◆ Set your dates!

Areas we most need Volunteers:

- ◆ **Grounds & Maintenance:** we have extensive grounds and a pool and orchard to maintain.
- ◆ **Housekeeping & hospitality:** we generally have a constant stream of teams or camps going on that we need to maintain our housing for.
- ◆ **Media: Graphics, Videography and Photography:** we constantly need volunteers with skills to document what we are doing and help us to keep our promos current.
- ◆ **Youth Camps:** really short term volunteers can serve us meaningfully for a week or more by getting involved with our camps.

Volunteer Tasks

- ◆ What a volunteer can participate in depends greatly on the time of year. Jan-March and June are our teams months, giving all volunteers greater access to hosting teams, off-base ministries, and Homes of Hope.
- ◆ May and July are times we do more on base ministry such as events, seminars, and youth camps. That means volunteers during these times will work more as event staff, hospitality and grounds maintenance crew.
- ◆ The last quarter of the year is our training time of year with our DTS. Volunteers may audit some classes, work with the DTS students on grounds, as well as housekeeping tasks. That means mostly on-base service is required.

Volunteer Prices

- ◆ The longer you serve, the less you pay!
- ◆ Category A- \$40USD nightly, or \$450USD first month.
- ◆ Category B- \$25USD nightly, or \$300USD first month
- ◆ All volunteers pay \$300USD for the second month onwards.

What do these prices include?

- ◆ At this time, our nightly or monthly fees cover housing, utilities, and one hot meal during the week. Like Staff, all volunteers are responsible for their own breakfast and supper weekly, as well as weekend meals. Kitchen access is granted for volunteers to stock and prep own meals.
- ◆ All groceries, transportation and recreation fees are up to the discretionary budget of the volunteer, and must be included in the funds they raise to serve.

Expectations

- ◆ Volunteers agree to the dress code and behavioural expectations of all our team mates.
- ◆ Volunteers pay their own way up front, just like our staff.
- ◆ Volunteers come to serve, not be served.
- ◆ Volunteers serve from 3-5 days weekly, depending on time frame agreed to in acceptance interview.
